

Berkeley

Serene¹

Faculty Club for professors, a serene meeting place

¹ The photos spontaneously taken of eight characteristics during a 3 hours walk 5th April 2013

Berkeley

Wild/fascination

Eucalyptus Grove planted 1870

The wild is concentrated to two small creeks through the campus

Staty av "Pappy" Waldorf (fotbollstränare)

Few serene seating places, but very nice lush

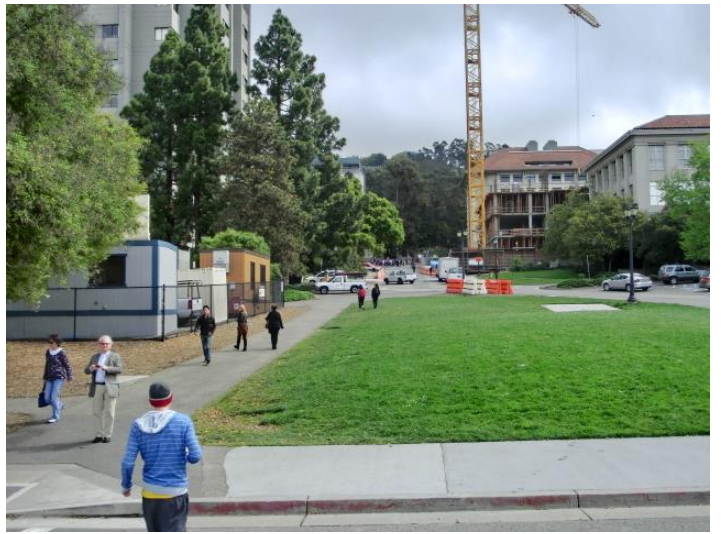

Berkeley

Lush, species rich

Berkeley

Space

Berkeley

The Common

Berkeley strives to integrate in the same building student programs from different faculties.

Parking places will be reduced to 5.000 to further biking

Berkeley

The pleasure garden

Historical bench makes a secluded place and serenity but no lush

Seating often without any cozy lush

Berkeley

Center/fest

Student election time

Campus integrated with the city were students live

Berkeley

Cultural history

Chancellors building

The Library, white granite

South and north Halls (1873) the start after Hall's plans. Landscape architect Law Olmsted made the first plan (1865) of Berkeley University.

Nobel Laureates free parking the rest of their life time, The signs removed from the poles! – souvenirs?

Direction Golden Gate bridge

The Stadium is modern, but the facade is from 1917
